Royal Breeze seaside living:

Royal Breeze is a masterpiece of architecture that carefully balances a carefree Caribbean feel with the sophistication and elegance of classical colonialism. What you get is a light and refreshing ambiance, steeped in tangible quality and refinement. Every single villa offers breathtaking panoramic views, ranging from the soothing turquoise waters of the lagoon to the velvety green fairways at the golf course. At night this vibrant palette of colors becomes luminous, with the floodlit golf course reflected in the shimmering waters of the lagoon.

The strikingly stylish Royal Breeze residences are at the very heart of the resort, ensuring that no matter where you live, the beach, the golf course, and the marina are always close to home Al Hamra Royal Breeze apartments.
